THE DAILY PROGRESS.

VOL. V. RALEIGH, WEDNESDAY, AUG. 24, 1864. NO. 144

TO OUR FRIENDS AND THE PUBLIC.

Progress Office, Raleigh, N. C.
August 23, 1864.

We have to announce to our friends and the public that we have made such arrangements as will enable us to issue the Daily Progress regularly hereafter. We shall endeavor to give a truthful exponent of all occurrences whether originated by the State or Confederate governments, that may be necessary for a vigorous prosecution of the war, but we shall at the same time be the firm friend of the Southern cause, through their constituted authorities, and the Confederate States government, acting through its legitimate agents, under powers derived, solely to carry on the war by Southern men, upon terms honorable and satisfactory to all the people of all the States. We are the friends of the Constitution as understood by true governments, that "all power shall inure to a strict construction of the Constitution, a searching investigation into the official conduct of our rulers, the independence of the Judiciary, Freedom of the Press and of speech and the purity and perfect freedom of the ballot box; without which, all our safeguards and guarantees of which God intended, will amount to nothing, as the tools will have to bow to receive the pubs and lash. We shall hold on the Military power being kept in subordination to the Civil Authority, and that the struggle be continued with the common enemy of the North for the perpetuation of free government for the people of these States, and not for the establishment of a consolidated despotism.

Because we have refused to bend the knee to the behests of power and blindly approve and applaud all the official acts of State and Confederate authorities, a systematic effort has been made to strike us down and silence us, by the withholding of that patronage to which every paper of respectable circulation has ever been by common consent, entitled, and which we unhesitatingly state or intend, has ever before withheld; but relying upon the intelligence and liberality of the people and the final triumph of right, truth and justice, we remain undismayed and defiant, and will continue to stand up and contend for the sovereignty of the States, Civil Liberty and the rights of the citizen, by the consequences to us what they may. The bulk of the patronage of the government, State and Confederate, is given to the partisan press, regardless of location or circulation; while some of the most widely circulated and influential journals of the country are entirely ignored. We mention these things partly for the purpose of calling attention to systematic favoritism, abuse and corruption that exist; to show the people how the power and patronage is passing into the hands of a small privileged class; and partly by way of appeal to our friends to enable us to increase circulation when we think by this means of publish a prescription which is sufficient to us and terrible to them.

ARMY INTELLIGENCE.

Now that the elections are over we shall devote most of our space to Army News and Current Intelligence, and trust that our friends in the army and throughout the State will give us such assistance as may be in their power by furnishing us with short news letters from their respective localities. We shall spare neither labor or expense to make the Progress equal to any paper in the Confederacy, as a medium for news from the army and elsewhere.

NEGROES FOR SALE!

A SUPERIOR MEAT AND PASTRY COOK, WASHer and ironer, in the prime of life, with her young children—(a boy and two girls,) also a young woman (18 years of age) a good plain cook, washer and ironer, and her child, a bright mulatto girl, 4 years old; also a boy, house and lot servant, about 16 or 17 years old. These negroes are of one family, Southern, light complexioned, sensible, faithful, well disposed and trained servants, and has never been sold. They are offered for sale for a fault and only because their owner expects to remove to the eastern part of the State, where it would be unsafe to carry them. To a kind purchaser, for his own use, of the entire family, a bargain and a long credit if desired, would be given, upon two-thirds of the purchase money. To such a purchaser, this family would, by their natural increase afford, in a few years by other offspring of family.

A FEW IMPORTANT FACTS

IN REGARD TO

1. THEY ARE PREPARED FROM THE BEST quality of Medicine by the discoverer, now an aged Minister of the Gospel, and are safe.

2. They have been known for years and tested by thousands.

3. Five hundred persons are known to have been cured by them.

4. They are not recommended by the proprietor for everything, but only for diseases which arise from disordered livers.

5. Directions and certificates accompany each Box and these certificates are from well known and most respectable individuals.

6. Correspondents recommend them as good for Liver Disease, Chills and Fevers, Pneumonia, Jaundice, Dyspepsia, Bilious Fevers, Bilious Rheumatism, Worms, Pleurisy, Bronchitis, &c.

7. Several gentlemen state that the use of these Pills has been to them as annual saving of from $100 to $300; they are the best plantation medicine ever offered to the public.

8. Some Physicians of the highest standing prescribe them to their patients, and hundreds of boxes have been sold to regular practitioners.

9. During the last quarter 2,800 boxes have been sold to Druggist, one in South Carolina, and one in North Carolina—and some time ago over 5,700 boxes were ordered by Druggists in one town in Virginia.
